Chapter Annual Registration

Each chapter in GWTA must register annually; registrations are due at the GWTA Membership Office by December 31. Chapters not registered must be dropped. The fee for registration is \$50 (US). The benefits of chapter registration include:

1. The association will bond the chapter treasury for an amount not to exceed \$500.
2. All chapter meetings, chapter events and chapter participants are covered with \$1,000,000 third party liability protection at all times when involved in any GWTA activity. Exception to this coverage occurs when an individual is named as an individual in legal action.
3. The chapter will also be eligible to purchase up to \$1,000,000 of "third party" liability insurance to cover the property of a property owner (a shopping mall for example) for chapter events, *when it is required by a property owner or manager as a condition for using the property for the event*. The premium for this coverage is \$200 (US) for 1-250 member attendees, \$250 for up to 500 member attendees and \$425 for up to 1500 member attendees.
4. The chapter may officially register its choice of a chapter name (in good taste) with the association. No two chapters may register the exact same name. Registration of chapter names will be on a first come first served basis. Requests for a name change may be made at the time of annual registration renewal.
