

We wanted to share a very heart warming email we received from our Northern Neighbors.

*Stop making the math so difficult, lol. Just want to let everyone know that I met 3 of the club's members yesterday in the parking lot of a grocery store here in Niagara Falls. They were Navy vets and I felt overwhelmed by their presence. We had an extended conversation and at the end I felt quite exhilarated. From Oak Harbor, WA. I don't ride, but I must say that if these two are examples of what your group is all about, then you all should hold your heads up high. The one young man's name, lol, was Larry Mollerstuen. I did not catch the other gents name, nor Larry's wife's name, but the 3 of them have made my year so far. Keep riding and keep enjoying yourselves. From Canada with love and hope.*
